

Vermont Society of Health-System Pharmacists

Winter C.E. Program

Saturday, February 4, 2012

Stoweflake Resort, Stowe, VT (www.stoweflake.com)

Denosumab: A Novel RANK Ligand Inhibitor

Speaker: Emily Sutton, Pharm.D.
Assistant Professor, Albany College of Pharmacy and Health Sciences (Vermont)

Upon completion of the program, participants should be able to:

1. Discuss pathophysiology of bone loss
2. Review drug information for denosumab for the prevention of skeletal-related events in patients with bone metastases from solid tumors
3. Compare denosumab with other therapies
4. Explore study finding leading to recommendations for denosumab monitoring and REMS

8:00 a.m.Registration & Breakfast

8:30 - 10:30 a.m. ...Presentation

ACPE # 0045-9999-12-004-L01-P

Goals: The goals of the program are to: 1) Describe the role of RANKS, a protein involved in the formation, function, and survival of osteoclasts, the cells responsible for bone resorption; 2) Review and compare a new treatment to increase bone mass in certain cancer patients who are at high risk of fracture

Activity Type: Knowledge based

Target Audience: Pharmacists

Continuing Education Credit: Continuing Education credit has been approved for **0.20 live continuing education units (CEUs)/2 contact hours of live continuing education**. Participants must complete and return the learning assessment packet to the registration table at the end of the program to receive credit.

Member Cost: Technicians, Students & Residents..... \$25.00
 Pharmacists \$35.00

Non-Member Cost: \$50.00

As an added bonus, all attendees (except board members) will be entered into a raffle for a prize to be drawn at the end of the meeting - their choice of either one year free membership to VtSHP or a gift certificate of equal value to the Stoweflake Spa.

Forward RSVP by February 1st to:

Lisa Jackman, CPhT, Secretary at
lisa.jackman@vtmednet.org Tel: 802-847-9665
